AMENDED IN SENATE JUNE 30, 2009

CALIFORNIA LEGISLATURE—2009–10 REGULAR SESSION

ASSEMBLY BILL

No. 898

Introduced by Assembly Member Lieu

February 26, 2009

An act to amend Sections 17533.6 and 17537.9 of the Business and Professions Code, to amend Section 1195 of the Civil Code, to amend Section 3505 of the Commercial Code, to amend Sections 8205, 8208, 8211, and 27287 of, and to add Section 12181 to, the Government Code, relating to ~~notaries public~~ documents.

LEGISLATIVE COUNSEL'S DIGEST

AB 898, as amended, Lieu. ~~Notaries public. Documents: notaries public: solicitations.~~

(1) Existing law makes it unlawful for a nongovernmental entity to solicit funds or information by means of a mailing, electronic message, or Internet Web site that contains a seal, insignia, trade, or brand name, or any other term or symbol that reasonably could be interpreted or construed as implying any state or local government connection, approval, or endorsement, unless the nongovernmental entity has an expressed connection with a state or local entity or unless the solicitation contains specified disclosures in conspicuous and legible type. Existing law requires a business to include the contact information for a referenced governmental agency in an unsolicited mailing that offers to assist the recipient in dealing with the governmental agency. A violation of these or other provisions related to advertising is a

misdemeanor, punishable by imprisonment in the county jail not exceeding six months, a fine not exceeding \$1,000, or both.

This bill would additionally make it unlawful for a nongovernmental entity to solicit funds or information by any of those means that contains an emblem that reasonably could be interpreted or construed as implying any state or local government connection, approval, or endorsement, unless the nongovernmental entity has an expressed connection with a state or local entity or unless the solicitation contains the specified disclosures. The bill would require the disclosures to be conspicuously displayed in specified locations, type, and manner. The bill would increase the maximum criminal fine for a violation of these provisions to \$2,500 and would authorize a person to recover specified damages resulting from a violation of these provisions. The bill would delete the provisions requiring a business to include the contact information for a referenced governmental agency in an unsolicited mailing that offers to assist the recipient in dealing with the governmental agency.

Existing law makes it unlawful for a person to make any untrue or misleading statements in any manner in connection with the offering or performance of an assessment reduction filing service. Existing law provides that an untrue or misleading statement includes representing that an offeror of an assessment reduction filing service is, or is affiliated with, any governmental entity by, among other things, the use of a business name including the word “appeal” or “tax” and any of a list of terms, including “agency,” “bureau,” or “department.”

This bill would provide that it is also an untrue or misleading statement in connection with the offering or performance of an assessment reduction filing service if the words “board” or “commission” are used with the word “appeal” or “tax” in the business name of an assessment reduction filing service.

Because a violation of these provisions would be a crime, this bill would impose a state-mandated local program.

(1)

(2) Existing law relating to the recording of transfers prohibits a proof of the execution of any of several types of specified instruments, including a grant deed, mortgage, deed of trust, quitclaim deed, or security agreement.

This bill would add a power of attorney to the types of instruments for which a proof of the execution is prohibited and would further prohibit a proof of the execution for any instrument requiring a notary

public to obtain a thumbprint from the party signing the document in the notary public's journal.

(2)

(3) Existing law provides that a protest is a certificate of dishonor made by a United States consul or vice consul, or a notary public or other person authorized to administer oaths by the law of the place where dishonor occurs.

The bill would instead provide that a protest is a certificate of dishonor made by a United States consul or vice consul, or a notary public during the course and scope of employment with a financial institution or other person authorized to administer oaths by the laws of any other state, government, or country in the place where dishonor occurs.

(3)

(4) Existing law prescribes the duties of a notary public, including the duty to demand acceptance and payment of foreign and inland bills of exchange, or promissory notes, to protest them for nonacceptance or nonpayment, and to exercise any other powers and duties that by the law of nations and according to commercial usages, or by the laws of any other state, government, or country, may be performed by notaries.

The bill would limit this duty to a notary public employed by a financial institution, during the course and scope of the notary's employment with the financial institution.

(4)

(5) Existing law provides that the protest of a notary public, under his or her hand and official seal, of a bill of exchange or promissory note for nonacceptance or nonpayment, providing specified information, is prima facie evidence of the facts recited therein.

The bill would instead provide that the protest of a notary public acting in the course and scope of employment by a financial institution, under his or her hand and official seal, of a bill of exchange or promissory note for nonacceptance or nonpayment, providing specified information, is prima facie evidence of the facts recited therein.

(5)

(6) Existing law prescribes the maximum fees a notary public may charge for specified services.

The bill would delete the prescribed maximum fees for every protest for the nonpayment of a promissory note or for the nonpayment or nonacceptance of a bill of exchange, draft, or check, for serving every notice of nonpayment of a promissory note or of nonpayment or

nonacceptance of a bill of exchange, order, draft, or check, and for recording every protest.

(6)

(7) Existing law sets forth the fees the Secretary of State is authorized to charge for the provision of specified business services.

The bill would authorize the Secretary of State's office to refuse to perform a service or refuse a filing based on a reasonable belief that the service or filing is being requested for any of a number of specified improper purposes.

(8) *The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.*

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~-yes.
State-mandated local program: ~~no~~-yes.

The people of the State of California do enact as follows:
